Petition Title: Chineham Post Office

To the House of Commons,

The petition of residents of Basingstoke,

Declares that action must be taken concerning the recent closure of Chineham Post Office Branch and the loss of vital services for local residents as a result of the Old Basing PO operator also withdrawing in recent years.

The petitioners therefore request that the House of Commons urges Post Office Ltd, Tellon Capital LLP and Basingstoke & Deane Borough Council to ensure that Chineham residents have access to vital Post Office services and priority is given to opening a branch as part of the new development at Chineham Shopping Centre.

And the petitioners remain, etc.
